## Eastern Region News

Hi everyone,

This month has seen a real change of events for us in the Eastern Region. With the resignation of Mid-Bedfordshire MP Nadine Dorries (although she is delaying the formal bit for as long as she can), we are very excited to have our first By-election.

We have also seen our first double figure polling, 10% in a National Poll.

In Mid-Bedfordshire we have a very capable and hard-working Candidate in Dave Holland, who has been active in the Constituency since March 2022, already having delivered a leaflet to every dwelling in the Constituency.

Dave's campaign got off to a flying start last Saturday with 7 teams of leafleters out in Marston Moreteyne, delivering nearly 3,000 leaflets as well as door knocking and talking to people.

In the afternoon, Richard Tice joined us to formally launch Dave as the official Party Candidate.

We had a really good turnout and it was refreshing to see at least 12 Constituency Spokesmen and women from across the Region and London turn out to support Dave.

This weekend we had 18 people out canvassing across the two days.

On Saturday we delivered around 1000 leaflets and yesterday, hampered by the heat, we still managed around 500.

We will continue to canvas daily up until Polling Day (whenever that may be) with Action days and bigger groups at weekends.

If you would like to join us at any time you can let us know by sending an email to:

midbedfordshire@reformuk.com  
or  
norma.saggers@reformparty.uk

Our meeting place for the weekends is:

The Cross Keys,  
Pulloxhill  
MK45 5HB

From 10-4 each day.

For mid-week please contact Dave for a meeting place.

It really does help us to plan if we have an idea of how many people to expect.

In other news, we continue to allocate seats across the region and welcome John Burmicz in Hertford and Stortford and John Dowdle in St Albans.

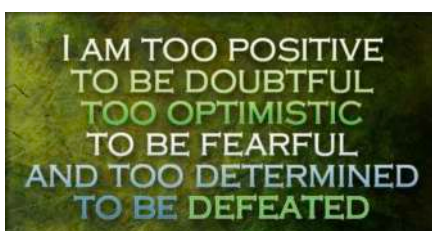

More will be announced soon.

If you have question about what the Party is doing in the Eastern Region, please email or call me.

I am always happy to speak with you and answer your questions.

## Bedfordshire County Overview

Bedfordshire has been a veritable hive of activity since Nadine Dorries resigned without resigning.

We made a start campaigning as soon as the announcement was made as we don't want to waste any of the time available.

We had our campaign launch on the 17th June, with supporters, volunteers and spokespeople travelling from across the country to lend a hand.

We knocked on almost 3000 doors on day one & have so far been receiving a very positive response.

From now until the by-election, whenever it may be, we will be canvassing every Saturday & Sunday from 10-4pm. I will also be our knocking doors during the week so if you can join me on a weekday that would be great too.

All our Bedfordshire spokespeople have been out helping the Mid Beds campaign which is great. Not only is it superb to get their help but it is also great practice for their General Election campaigns next year.

We will be running street stalls across Mid Beds in the run up to the by-election, as well as action days for which we have been promised some high profile guest speakers to come along and lend us their support.

We will be arranging events for these guest speakers so please follow my Facebook page and stay connected:

If you would like to donate to our by-election campaign you will be helping us to fund our campaign and maximise our impact:

## Hertfordshire County Overview

After all the busy campaigning of the local elections, it was nice for the spokesmen of Hertfordshire to finally meet up as a group.

A few weeks ago, on a very sunny Saturday we had a great meeting of minds and it was the first opportunity many of us had to see each other in the flesh.

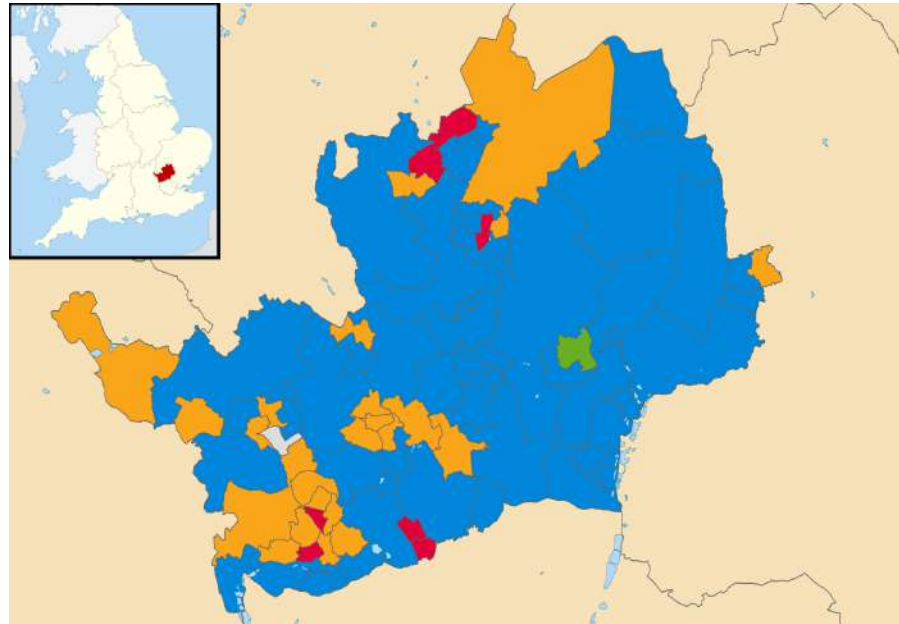

We all seemed to come from such different walks of life and careers, Darren (Hertsmere) runs a wood veneer company, Noel (Hemel) runs a scaffolding business, Saba (Harpenden & Berko) is a recruitment consultant, Steve (NE Herts) is a train driver, Amo (Stevenage) is a retired engineer and proud family man, and Gary (Watford) is a digital monetiser.

We all came from different politics too, some of us were ex-Conservatives, some ex-Labour, some were seasoned Brexiteers and others were pretty neutral, that was until they saw what was happening to this country... and that's what brought us all to the table.

If Brexit has showed us anything, it is that the people that run this country are all too willing to sell off our independence and sell us all down the river with it, but I know I don't need to tell you that.

What was great about the meeting is that we got straight down to business – What had we done in the local elections? What were we going to do for the general elections? How could we help each other? Everyone left knowing what they've got to do.

Right now, many of us are helping Dave Holland to win in Mid Bedfordshire, something I implore you all to do if you can spare the time.

But one thing is for sure, you can expect to be hearing a lot more news coming out of Hertfordshire.

You'll notice from the picture here, that Noel and Gary are absent, unfortunately they had to leave slightly early - both were on call and needed to fix problems at work.

While it would have been nice to have all the gang together for a photo, it actually says something important the type of person that becomes a Reform candidate... we are the people who fix things, every day, come rain or shine, and when we see that our country needs fixing, we step up!

These are the Constituency seats allocated:

Stevenage  
Hertsmere  
Watford  
Hitchin  
Harpenden and Berkhamstead  
South West Hertfordshire  
North West Hertfordshire  
Hertford and Stortford  
St. Albans

There will be more seats allocated soon.

## Spare a thought for Labour members!

Labour has recently announced its selection for Mid Bedfordshire, and as our comrades are so fond of waving red flags, let's see how many we can count!

Their man is one, Alistair Strathern... never heard of him? Well, it might because you don't live in North London, where Alistair has been a part-time (see right) councillor at Waltham Forest for 9 years. That's Red flag #1

Now, you all know the country is facing a cost-of-living crisis – it has been caused largely by sky high inflation, a direct result of the Bank of England's stupidity by printing money like it's going out of fashion. And now the B of E is spiking interest rates, costing homeowners thousands of pounds a year, for absolutely nothing.

Some might say it's a bold move by Labour, to then present the people of Mid Bedfordshire with a candidate who actually works at the Bank of England, and has done for 6 years!

I'd love to see how they sell that at the doorstep - Red flag #2

It's quite clear that Labour Party HQ doesn't think we've had enough of PPE Oxford Graduates, but I won't hold that against him.

No, my third red flag comes from an old saying "Never trust a man standing next to Wes Streeting"...

Ah... so that's how it happened then.

You see, I was thinking to myself, surely the membership of Labour's Mid Bedfordshire Constituency must have some better candidates in mind, some real local heroes, hard canvassers, the type that leaflet dutifully in gale force winds, no matter who is the leader.

Well, whenever you see Kier Starmer's top lieutenant in the frame, one can strongly suspect Labour HQ had other ideas, and they didn't care to hear any others.

Methinks I could build a parachute with these red flags!

Anyway, as we see all the slick videos, glossy leaflets and squadrons of smiley graduates afforded to the chosen ones, please spare a thought to those Labour members who may or may not have been completely stepped over.

Never gone but always forgotten!

## How You Can Help

### 1. Follow, Share & Like

The more people follow, share & like our social media content, the more people we will reach across the country.

We have social media accounts on all platforms from the Party Headquarters, our leaders; Richard Tice & David Bull, regional teams, county teams and constituency spokespeople.

Some accounts are not in place yet, but in the coming weeks we will have a full compliment of spokespeople with active social media.

Every engagement helps us; every share, like, retweet and follow will increase our reach & our support.

Please follow the relevant accounts for your region and share all the content that you can.

We have accounts on Facebook, Twitter, Instagram, YouTube, TikTok & GETTR & more.

Supporting our social media content is a great way to support the Reform Party and is very easy to do.

Just set up accounts on all the social media platforms, find people you know and connect with them, follow all the National & local Reform Party pages & start liking

### 2. Volunteer To Help

We will soon have spokespeople appointed in 630 constituencies across the UK. We are not contesting Northern Ireland, but we will be standing in every other seat.

Each spokesperson is in the process of building a team of volunteers to help them to campaign across their constituency.

Your help and assistance is vital to their campaigns.

Your contribution however big or small will help them to achieve their goal of being able to represent you and the common sense policies that every Reform Party spokesperson stands for.

Our spokespeople will be delivering leaflets across their constituencies, running pop-up stalls on high streets, knocking on doors to talk with voters and running events in your area.

Many hands make light work and by volunteering you will be assisting your local spokesperson to reach more people and gain more votes.

If you would like to volunteer, please contact your county organiser in the first instance via email and they will put you in touch with your spokesperson.

### 3. Vote

We need your vote, every vote, as we build towards the General Election.

Local elections are a stepping stone, an important part of the process building support, increasing our profile across the country.

## Why Should You Get Involved?

Personally, I got involved because I was fed up with feeling angry and anxious every time I watched the news. Since then I feel much more positive, that we can make a difference, that we can be the change that the country needs.

I say "don't get angry, get active". Get involved and become part of an exciting, fast growing, positive political party offering common sense solutions for the people of the UK.
