In Norfolk we welcome Kabeer Kher, who has been allocated the Mid Norfolk seat.

Our new County Organiser for Suffolk is now set up and ready to hear from anyone in the County.

Our new County Organisers for Cambridgeshire & Hertfordshire are being processed and will be available soon.

Last month there was a very successful 'Evening with Richard Tice' in Hullbridge, Essex, organised by Keiron McGill, Constituency Spokesman for Castlepoint. Around 100 people attended. The Q & A session highlighted some excellent questions, Richard ably answered them all. These sessions are available to all of our Spokesmen and women. I would recommend going along if there is one near you. It is a great chance to meet Richard and other local supporters.

If you have any questions, ideas or thoughts that you would like to share, I am always happy to hear from you.

Thank you,

Suffolk County Overview

It has been a good month for Suffolk and there are an exciting few weeks ahead of us.

Campaigning for the local elections is well and truly underway, as candidates across the county are working hard to get elected and represent the voices of those who are desiring a change in the current political cohort.

Reform UK has five candidates standing for across the county for the upcoming elections. The full list is as follows:

- Mr Stuart Allen, Sprites, Ipswich.
- Mr David Card, Combs Ford, Mid Suffolk.
- Mr Evan Heasley, Palgrave, Mid Suffolk.
- Mr Robin Turbfield, Clare, Hundon, Kedington, West Suffolk.
- Mr Adrian Whittle, Newmarket West, West Suffolk.

All the candidates for Reform UK are working and fighting hard to get elected and represent your voices.

Their task is no easy feat. However, the pace at which support for Reform UK has grown since the start of the year should encourage us to approach the local elections with a healthy level of confidence and optimism.

Electoral success can not, however, be achieved without people's support. We will be campaigning across the county up until the very last moments and if you wish to offer your support and help please email me at: suffolk@reformuk.com.

This could be anything from posting leaflets through letter boxes or going door-to-door meeting constituents. Any support will be met with a great deal of gratitude.

It was great to see quite a few people from Suffolk at the Spring Conference in Derby this month.

The conference was a very enjoyable experience and it showed the excellent growth of Reform UK on both a national scale and in relation to Suffolk.

As like myself, quite a few Suffolk residents made the trip up to Derby for the conference.

Hopefully, as time goes by, the support for Reform UK will continue on its upward trajectory and we will finally have a party who is willing to represent our voices in Suffolk and who is willing to make a change in this current and stale political world that we currently inhabit.

Going forwards we will be looking for volunteers across the county to help us to campaign.

If you are willing to help us delivering leaflets then please get in touch using the emails below.

SPOKESMAN SPOTLIGHT

Mark Cole **Harwich and North Essex Spokesman**

My name is Mark Cole and I am pleased to introduce myself as the spokesman for Harwich and North Essex constituency.

I am the proud father of two primary school-aged children and the husband of my nursing wife, Jezahree. We live in the village of Wrabness alongside the river Stour.

I run a busy driving therapy school, training high-end anxiety sufferers and special education needs clients to drive.

I previously worked in fleet management and served in the TA Royal Military Police for ten years, doing tours in Germany and Bosnia.

I've previously chaired Colchester & District Driving Instructors Association, UKIP Harwich and North Essex and have extensive campaigning experience over many years.

I stood for parliament in 2015 for Central Suffolk and North Ipswich, coming third and picking up over 7,000 votes.

Harwich and North Essex constituency is largely rural and surrounds much of Colchester, with Harwich (and its major port) away to the East.

The constituency also encompasses Mersea Island to the south and Wakes Colne (with its steam museum) to the north.

Many of the villages are quintessentially English, with chocolate-box areas like Dedham and the AONB running alongside the river Stour.

The constituency, with its dark history of witchcraft in Manningtree, has its fair share of modern-day problems, too. With new builds going up by the dozen on either side of the Stour, the railway crossing at Manningtree is one of the worst bottlenecks in Essex.

In addition, Harwich is badly in need of further investment, with the £6m recently allocated having been far too slow in coming.

Planned pylons running through the constituency (and beyond) have ruffled feathers, to say the least.

I am passionate about many issues;

- Reform of the NHS along German healthcare lines
- Improving roads and infrastructure
- Increasing our defence budget to get our military back to its fighting best
- Keeping the countryside green for all to enjoy
- The removal of 'wokeness' in our classrooms rank highly.

How You Can Help

1. Follow, Share & Like

The more people follow, share & like our social media content, the more people we will reach across the country.

We have social media accounts on all platforms from the Party Headquarters, our leaders; Richard Tice & David Bull, regional teams, county teams and constituency spokespeople.

Some accounts are not in place yet, but in the coming weeks we will have a full compliment of spokespeople with active social media.

Every engagement helps us; every share, like, retweet and follow will increase our reach & our support.

Please follow the relevant accounts for your region and share all the content that you can.

We have accounts on Facebook, Twitter, Instagram, YouTube, TikTok & GETTR & more.

Supporting our social media content is a great way to support the Reform Party and is very easy to do.

Just set up accounts on all the social media platforms, find people you know and connect with them, follow all the National & local Reform Party pages & start liking

2. Volunteer To Help

We will soon have spokespeople appointed in 630 constituencies across the UK. We are not contesting Northern Ireland, but we will be standing in every other seat.

Each spokesperson is in the process of building a team of volunteers to help them to campaign across their constituency.

Your help and assistance is vital to their campaigns.

Your contribution however big or small will help them to achieve their goal of being able to represent you and the common sense policies that every Reform Party spokesperson stands for.

Our spokespeople will be delivering leaflets across their constituencies, running pop-up stalls on high streets, knocking on doors to talk with voters and running events in your area.

Many hands make light work and by volunteering you will be assisting your local spokesperson to reach more people and gain more votes.

If you would like to volunteer, please contact your county organiser in the first instance via email and they will put you in touch with your spokesperson.

3. Vote

We need your vote, every vote, as we build towards the General Election.

Local elections are a stepping stone, an important part of the process building support, increasing our profile across the country.

Why Should You Get Involved?

Personally, I got involved because I was fed up with feeling angry and anxious every time I watched the news. Since then I feel much more positive, that we can make a difference, that we can be the change that the country needs.

I say "don't get angry, get active". Get involved and become part of an exciting, fast growing, positive political party offering common sense solutions for the people of the UK.
